Re: United States v. John Kovac, 15 Cr. 514 (RJS)

Hon. Sullivan:

I write with consent of the government and probation to request a 45-day adjournment of sentencing in this matter, to any date convenient to the Court. This is my second request for an adjournment and is made as Dr. Mariani, the addiction expert, needs additional time to work with Mr. Kovac. Dr. Mariani and he informs me that his schedule has made it difficult for him to fully confer with Mr. Kovac and with Officer Fordeingham. Dr. Mariani needs an additional three weeks to prepare his report.

Officer Foderingham continues to supervise Mr. Kovac who is remain in drug treatment, has tested negative for drugs, is participating in all mandated programs, is attending school, and is otherwise compliant with all requirements of his supervised release.

Good cause is shown for the requested extension as psychiatrist John J. Mariani M.D. needs time and his schedule, given the aftermath of the pandemic, is unfortunately very full.

Both the government and probation consent to this request.

I thank the Court for its time and consideration of this request.

Respectfully submitted,

/s/Sabrina P. Shroff
Counsel for Mr. John Kovac
